Winners receive great prizes and the group will have fun exploring our unique facility. After dinner enjoy cocktails on your own in our Squires Pub.

### **Day Two**

Today starts with a hearty full American breakfast in our restaurant. After breakfast we will travel to the world famous Henry Ford Museum and historic Greenfield Village. While there you can explore the museum, enjoy a pleasant stroll through Greenfield Village and ride on an original Model-T car. As a matter of fact your pass entitles you to unlimited free ride on the village's cars, steamboat and train. Lunch today will be on your own at one of the many fine restaurants at The Henry Ford. For an additional charge you can see a movie at the IMAX Theatre, or you can purchase tickets for the Ford Rouge Factory Tour. After a day at the Henry Ford we will return to the hotel to freshen up for our trip to the Greektown District of Detroit. Tonight the bus will drop you off at the famous Greektown Casino where you will receive discount coupons for use towards your evening of gaming at the Casino. Dinner this evening is on your own at any of the wonderful restaurants within the Greektown District.

### **Day Three**
